Re: Notice of Approval for Outside Employment

Dear Secretary Woolf:

Pursuant to Idaho Code § 59-512, I am writing to inform you that in the public interest, I have approved a request by Deputy Attorney General Garrick Baxter to accept additional outside employment at the University of Idaho College of Law in Boise (University) in an educational program. Mr. Baxter will co-teach *Law 942 – Water Law of the American West* at the University two days a week during the 2026 fall semester.

The approved additional employment for Mr. Baxter at the University will not be performed in the ordinary course of his employment with the Office of the Attorney General and will be performed in addition to, and beyond the statutory hours of, service required in the ordinary course of his employment with my office.

Sincerely,

A handwritten signature in blue ink that reads "Raúl R. Labrador".

RAÚL R. LABRADOR
Attorney General
